Minutes

I Opening Remarks Richard Hyde

II Background or Update Information Tara Capobianco

- Municipal Solid Waste Landfill (MSWL) standard permit is being coordinated with Chapter 330 amendments
- MSWL General Operating Permit (GOP) must be renewed every 5 years (deadline May 19, 2005)
- Stakeholders have the opportunity to review and comment on the draft MSWL GOP prior to the public comment period announcement

III Discussion Topics Eduardo Acosta

A. Schedule

Public notice (30 day comment period) - November
Response to Comments - December
EPA (45 day review period) - January / mid-February
Public petition (60 day period) - mid-February / mid-April

B. MSWL GOP Revisions

- ▶ Eliminating case-by-case New Source Review requirements
- ▶ Updating applicable requirements
- ▶ Adding applicable requirements
- ▶ Adding Compliance Assurance Monitoring
- ▶ Adding Periodic Monitoring

C. Discussion Items

- ▶ Permit holders who have been issued an authorization to operate (ATO) under the terms of the MSWL GOP must renew their ATO within 5 years of the date of issuance.
- ▶ Renewal of MSWL GOP will not affect application shields with pending authorization to operate.
- ▶ Revisions to the MSWL GOP will require permit holders and applicants to update their applications.

IV Closing Remarks/Action Items Eduardo Acosta

- Provide stakeholders with a tentative schedule to renew the MSWL GOP
- Provide stakeholders with proposed GOP revisions itemized
- Stakeholder may provide comments on draft MSWL GOP by Friday, October 22
